### The midrange Hotshot

Redmi Note 9 is the best-in-class midrange hotshot built for those who want a stunning phone with great camera. It's powered by MediaTek Helio G85 so your phone is always ready for action. On top of that, get a huge battery and fast charging plus a 3.5mm headphone jack, IR blaster, and more.

### 48MP AI quad camera

Redmi Note 9 features an incredible 48MP quad camera setup. Capture ultra-detailed shots with the 48MP primary sensor. Shoot as wide as the eye can see and get awesome portraits with bokeh effects. A new handy document scanner feature is also included to scan documents, notes, receipts, and more.

### Incredible 5020mAh battery with 18W fast charging

Redmi Note 9 gives you the power to do more with a longer lasting battery life and 18W fast charging support. Game, surf, or call without having to constantly worry on your battery. Just in case you run out of juice, charge quickly with the included fast charger.

### Amazing DotDisplay, beautiful design

Redmi Note 9 sports an all-new look with the immersive 6.53" DotDisplay protected by a Corning® Gorilla® Glass 5 in front and a gorgeous symmetrical design with stunning color options at the back.
